TERM  NATOR

E-Harley-Davidson „Peace Bike Terminator“

Signed by Arnold Schwarzenegger

A Unique Opportunity: Acquire an Extraordinary One-of-a-Kind Collector's Item

The PEACE BIKE, a Harley-Davidson LiveWire customized by the JESUS BIKERS® for Arnold Schwarzenegger and named "Terminator," became the featured motorcycle of PEACE RIDE® Austria II 2026.

What makes this motorcycle truly exceptional is that it is one of the last original Harley-Davidson LiveWire models ever produced. Powered by an electric motor, it was specially customized for Arnold Schwarzenegger. One of its most distinctive features, in addition to the peace messages displayed throughout the bike, is a sound generator that plays iconic messages such as "I'll be back," "God bless you," and "Hasta la vista, Baby" when the motorcycle departs.

On the afternoon of June 15, 2026, during the 10th Austrian World Summit at the historic Hofburg Palace in Vienna, the motorcycle was personally presented to Arnold Schwarzenegger for his signature.

Approximately 60 members of the JESUS BIKERS®, together with their founder Dr. Thomas Draxler, attended the event.

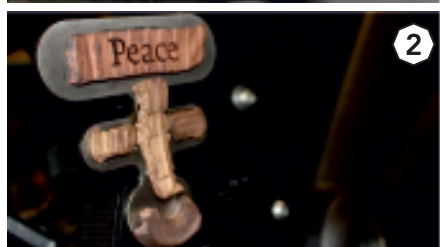

During PEACE RIDE® Austria II, the "Peace Bike Terminator," now owned by the JESUS BIKERS®, received blessings in Altötting and at Heiligenkreuz Abbey.

Customization of the LiveWire

„Peace Bike Terminator“

More than 500 hours of work have been invested in the design and customization of this motorcycle, including concept development, planning, airbrushing, laser engraving, embroidery, multiple paint finishes, rear-end modifications, electrical work, front-end conversion, and numerous additional enhancements.

The "Peace Bike Terminator" is fully road-legal and can be registered without restrictions in Germany.
